### **Introductory Lesson Bundle Policy**

Please read the following policy carefully and sign at the bottom of the document. By signing and submitting this policy, you are agreeing to all of the terms outlined.

#### General Information

The **Introductory Lesson Bundle** consists of four (4) discounted standard 30-minute music lessons. It is applicable only to students who have not taken lessons with me previously.

This bundle is ideal for students who are looking for assistance in getting started with music, and for those who are interested in studying with me, but who would like to get a feel for my teaching approach and methods before committing to regular lessons.

#### Lesson Procedure

Lessons are held online using the video conferencing application Zoom. During lessons, I use a combination of two different webcam views, screen sharing, real-time demonstration, and preexisting original material. Students are welcome to bring any books, courses, or material they would like to work on, and I will gladly incorporate them into my lesson plan.

Students are asked to log into Zoom for their lesson on time. Lessons are held back-to-back and I will not keep the next student waiting if the previous one shows up late and loses lesson time as a result.

Students are encouraged to take notes throughout the lesson so they can remember—and put into action—what we discussed. Any questions about the material can be submitted via email, or discussed at the beginning of the next lesson.

#### Lesson Length and Frequency

Lessons that are part of the **Introductory Lesson Bundle** are 30 minutes in length each. Scheduling is flexible, but all lessons must be scheduled within a year of signing up.

#### Bundle Rate

Four (4) standard 30-minute lessons at \$100. A savings of \$20 off the typical cost.

## Payment Policy

Payment must be made via online money transfer. All four lessons must be paid for at the same time in order to take advantage of the discount.

The **Introductory Lesson Bundle** can only be purchased once. If a student wishes to continue taking lessons with me after all four lessons have been completed, they must sign up for one of the main lesson tiers.

Please note that no refunds will be offered if a student cannot or wishes not to continue with any lessons still left in the bundle. Remaining lessons can be purchased by, and transferred to, another party, but the burden to find someone to take them is on the student.

## Attendance Policy

Students taking lessons as part of the introductory offer must provide a **minimum of 24 hours notice** if they are unable to attend a scheduled lesson. With enough notice, the lesson will be rescheduled for another time. If less than the required notice is provided, or if the student simply does not show up, then they forfeit their time and payment for that lesson.

*I reserve the right to discontinue lessons with a student at any time.*
