

Music Lesson Gift Certificate Information

Give the gift of music.

Gift certificates can be used toward as many one-hour lessons as you wish to offer to a loved one.

Each music lesson is \$125 CAD and includes personalized session notes, curated resources, and customized material to support the recipient's growth and exploration beyond our time together.

Lessons may take place in person (in Ottawa, Ontario) or online over Zoom.

If you'd like to purchase four or more lessons at once, the cost is reduced to \$100 CAD per session.

Gift certificates do not expire. All payments are non-refundable.

Once your payment is received, you'll receive a PDF of the certificate by email, along with instructions the recipient can follow to schedule their lessons.

If a scheduled lesson needs to be rescheduled, I ask for a minimum of 48 hours' notice. With less than 48 hours' notice, the session will be considered complete.
